

Kids for the Cure® T-Shirt Design Contest

Kids T-shirt contest sponsored by

The Arkansas Affiliate of Susan G. Komen for the Cure is hosting a T-shirt design contest for the **Kids for the Cure®** program, part of this year's Arkansas Race for the Cure. Kids will have the opportunity to register for the Race as a Kids for the Cure® participant. Registration includes participation in the October 16th Kids for the Cure event on the State Capitol grounds (more details will be posted at komenarkansas.org), as well participation in the Race for the Cure on October 22.

The Arkansas Affiliate invites children 12 and under to submit an original drawing for our Kids for the Cure® T-shirt. The winning artwork will be used as the signature design on the 1,500 T-shirts ordered for this program.

The rules for the competition are:

- Artwork must be submitted on 8 ½" x 11" white paper or cardstock and mailed ***flat*** (folded paper cannot be formatted for T-shirt printing) to Komen Race for the Cure, 904 Autumn Road, Ste 500, Little Rock, AR 72211, by **Monday, June 13**.
- Incorporating the theme of this year's Race: "**Hope Runs on Heroes**" is suggested.
- Design should incorporate the Komen pink ribbon somewhere in the art. 
- Only **markers** should be used in the artworks. Do not use crayons or colored pencils, as they do not transfer well onto T-shirts.

On the back of the artwork, please include the following in **pencil**:

- Designer's Name and Age
- Name of school
- Year in school
- Home address
- Parent or Guardian's name
- Contact telephone number and email address

By submitting a design, the designer and the designer's parent or guardian consent to the entries becoming the property of Susan G. Komen for the Cure® and agree to the entry being used for promotional purposes. Entries will not be returned.

The winners and their parents or guardians will be asked to attend the Kids for the Cure Event on October 16 and the 2K Family Fun Run/Walk on October 22, 2011, as part of the Race Festivities.

The entries will be judged by a panel of judges based upon creativity, neatness and the overall spirit of the Race for the Cure®. The judges' decision is final.

Funds from the Race for the Cure® are used to help eliminate breast cancer as a life-threatening disease and are used for education, screening, treatment and research programs.
