Phone	(501) 202-2966
Amount Awarded	\$84,166.00
Counties Served	Garland Pope Hot Spring Pulaski Jefferson Saline Lonoke Yell Perry
Project Summary	The Baptist Health Breast Screening Project focuses on increasing breast cancer screening among low socio-economic, minority, and medically underserved women in central Arkansas. This program also includes diagnostic and treatment services in the continuum of care. In addition to mammography, a Baptist Health Specialist will assess and monitor the physical, psychological and social needs of the patient and educate them regarding treatment options, support services, and self-care skills.
